

EXAMPLE DOCUMENT - NOT A REAL SELF-DECLARATION

=====

This placeholder PDF exists so that the example provider directory is complete and so that the CI checks can be demonstrated end to end.

A real submission replaces this file with the signed self-declaration of the node provider. See [templates/node-provider-self-declaration.md](#) for the structure that is expected.

Node provider: Example Provider LLC (fictional)

Date: 2024-03-15
