

Node Machine Handover Statement

This statement serves as a formal declaration of the handover of node machines between the following parties:

Existing node provider: Aksinia Stavskaya

New node provider: Anthony Isaakidis

We, the undersigned, confirm the transfer of 28 node machines from **Existing node provider** to the **New node provider**. The following details outline the specifics of this transfer:

1. Data Center Location:

The 28 node machines will be operated and maintained by the New Node Provider in the following Data Center(s):

- 28 node machines in **TY2 (Equinix TY6)**

2. Declaration of Independence:

Both the existing and new node providers confirm that they are not related in any way and operate independently, with neither holding majority control or exerting undue influence over the other.

The new node provider further affirms its full operational independence and agrees to comply with all current and future KYC requirements. The new node provider also acknowledges and confirms the obligation to remain fully independent from all other existing node providers on the Internet Computer.
